**First Choice** for DNV 2.7-1 Cargo, Wireline, Tool & Maintenance Baskets

OEG Offshore are leading suppliers of DNV 2.7-1 / EN 12079 cargo baskets for the safe transfer of assets offshore - available for sale and rental.

OEG Offshore’s cargo basket range is available in a variety of sizes from 4ft, 6ft and 8ft wide and lengths up to 75ft for sale and rental. They have been designed and manufactured in accordance with DNV 2.7-1 / EN 12079 and are supplied with certified slings and shackles as standard. All units are stackable where deck space or yard space is at a premium.

Our cargo baskets can be supplied with cargo safety nets, tarpaulins and aluminium lids for harsh environments. Integrated forklift pockets for ease of yard loading and offloading are standard as well as internal tie down points throughout the interior provide strong points to secure cargo.

Optional guide rails and supports can also be provided to suit customer tooling requirements.

OEG’s range of baskets is available from our global network of full service bases. e: sales@oegoffshore.com
